|-------------------------|-----------|-------|-----------------|------|
|                         | kJ        | kcal  | kJ              | kcal |
| Energy                  | 1308      | 312.5 | 20.92           | 5    |
| Fat [g]                 |           |       |                 |      |
| of which saturates [g]  |           |       |                 |      |
| Carbohydrates [g]       | 62.5      |       | 1               |      |
| of which sugars [g]     |           |       |                 |      |
| Protein [g]             |           |       |                 |      |
| Salt [mg]               | 7.8       |       | 0.125           |      |

| Vitamins/minerals: | per 100 g | % <sup>1</sup> | per tab (1.6 g) | % <sup>1</sup> |
|--------------------|-----------|----------------|-----------------|----------------|
| Potassium [mg]     | 938       |                | 15              | 0.75           |
| Calcium [mg]       | 312.5     |                | 5               | 0.63           |
| Magnesium [mg]     | 188       |                | 3               | 0,8            |

<sup>1</sup>Percentage of recommended daily allowance

### Suggested usage

With permanent loads, 2 chewable tablets every 15-30 minutes. During long-term, heavy physical exercise up to a maximum of 50 chewable tablets per day. So one roll of FastChews is enough for about 2.5 hours of endurance sports.

### Warnings:

Do not exceed the recommended daily intake.

Dietary supplements are no substitute for a balanced diet.

Store out of the reach of small children, cool and dry.

**Is regularly tested for contamination by doping agents.**

**The chewable tablets contain only natural flavourings, are purely vegetarian, without artificial sweeteners and colours and are gluten and GMO free.**

This information serves for a better understanding. The information and values provided on the packages are of major importance.
