Jersey Fit MAN

When we develop our collections, we do it working on three specific types of fit that define every jersey and top within the range: **SLEEK PRO**, **SLIM** and **CLASSIC**. Have a look at our jersey fit guide below to understand how the different fits work! Remember to check on the product page the FIT icon and to choose your size according to how you want it to fit on your body!

Sleek PRO Fit

Slim Fit

Classic Fit

Featuring a **skintight fit**, this design is **shorter in the front** and extends **longer at the back**. It has been meticulously developed with a focus on the riding position, ensuring optimal **aerodynamic performance**. This is the very same fit our **professional athletes** rely on for their high-speed races. If you prefer a slightly more relaxed fit, we recommend selecting one size up for a comfortable and versatile wear.

Form fitting jersey. Remains **close to the body** minimizing wind resistance in the saddle. This is the fit that defines Santini. **Incredibly versatile** as it gives you a sleek profile while maintaining **incredible comfort** throughout your ride.

Regular fitting jersey. **Soft on the body** for those who look for a more classic fit. If you like a jersey with **classic fit** but you prefer a tighter fit, we suggest choosing one size smaller.
