

SON Schmidts Original Nabendynamo

We offer a 5-year guarantee on the function of our hub dynamos, headlights, rear lights and wheels from the time of purchase when purchased from a specialist dealer.

This warranty does not apply to damage caused by normal wear and tear, improper use or force (such as an accident). In the event of a warranty claim, we will repair the product or replace it with an equivalent product at our discretion. We also carry out the re-spoking of a defective hub dynamo at our own expense in the event of a warranty claim. Further claims are excluded. Your legal warranty rights remain unaffected by this guarantee. To make a warranty claim, please contact your specialist dealer
